IndiGo Flight Disruptions – Key Points

CAUSE OF DISRUPTION

- Stricter crew-rest and duty-time rules (FDTL norms) introduced by DGCA
- Reduced crew availability impacted IndiGo's large fleet operations.
- Exacerbated by technical issues, winter schedule changes, and airport congestion.

SCALE OF DISRUPTION

- Over 1,000 flights cancelled nationwide within days.
- On-time performance dropped by over 50% at major airports.
- Major hubs affected: Delhi, Mumbai, Bengaluru, Hyderabad, Chennai.

ACTION TAKEN

- DGCA launched a formal probe into cancellations.
- IndiGo requested temporary relaxations in FDTL norms.
- Offered automatic refunds, waived cancellation/rescheduling fees (Dec 5–15).
- Support cells set up for affected passengers.

Over 800 IndiGo flights cancelled on Saturday; airline says re-established 95% of network connectivity

Indigo Timeline & Recovery

Indigo's recovery plan remains on track, with the trial period for achieving fully stable operations set to continue until 10 February 2026.

IndiGo announces waiver after major disruptions

MUMBAI

IndiGo has announced a full waiver on cancellations and rescheduling for all bookings made for travel between December 5 and December 15, 2025. This decision comes after days of heavy flight disruptions that left thousands of passengers stranded across the country. The civil aviation ministry earlier ordered IndiGo to complete all pending ticket refunds for cancelled flights by Sunday evening and to return separated baggage within two days.

The airline posted a message on X titled "No questions asked," assuring passengers that all refunds would be processed automatically to their original payment method. IndiGo also apologised for the inconvenience caused. However, many passengers reported that they were still charged cancellation and convenience fees. Several users shared screenshots online, questioning why these charges were applied despite the promise of a full refund. Some also said the "Cancel" option on the IndiGo app had been disabled.

The ministry warned that any delay or failure to process refunds on time would lead to immediate regulatory action. It also directed airlines not to charge any rescheduling fees for travellers affected by the cancellations. IndiGo has been asked to set up special support and refund help centres to speed up the process.

CM labels HDK 'Manuvadi' over Bhagavad Gita curriculum push

Siddaramaiah said Ambedkar left Hinduism for Buddhism, rejecting caste discrimination, inspiring people pursuing equality and societal dignity

BENGALURU

Chief Minister Siddaramaiah criticised Union Minister H. D. Kumaraswamy on Saturday, calling him a "Manuvadi" after his recent push to include the Bhagavad Gita in school curriculum. The comment came as the Chief Minister addressed reporters following his tribute to B. R. Ambedkar on his 69th death anniversary.

Siddaramaiah said Kumaraswamy changed his stance after aligning with the BJP for elections. He was responding to a letter Kumaraswamy had sent to Union Education Minister Dharmendra Pradhan, requesting that the Bhagavad Gita be added to the student curriculum. The Chief Minister remarked that this move reflects Kumaraswamy's shift in ideology after joining hands with the BJP.

While remembering Ambedkar, Siddaramaiah highlighted his strong fight for social justice and his key role in shaping the Constitution. He said Ambedkar's life showed how deeply he opposed inequality in society. According to him, Ambedkar left Hinduism and embraced Buddhism because he was unable to reform the caste system, despite trying for many years.

Siddaramaiah added that Ambedkar chose Buddhism as a path away from discrimination. He mentioned that Ambedkar was born a Hindu but refused to remain one at the end of his life due to his disappointment with the caste structure. The Chief Minister said Ambedkar's decision continues to inspire people who seek equality and dignity in society.

The exchange between Siddaramaiah and Kumaraswamy has again brought political tensions into focus in Karnataka. The debate over textbooks and cultural teachings remains a sensitive issue, especially when linked to political alliances and ideological differences.

DCM claimed authorities used a PMLA case to harass them, targeting Sonia and Rahul Gandhi supporters unfairly

Enforcement Directorate summons 'torture' is condemnable: DCM

BENGALURU

Deputy Chief Minister DK Shivakumar on Saturday condemned the summons issued by the Enforcement Directorate pertaining to his donations to National Herald and Young India.

Speaking to reporters at his Sadashivanagar residence, he said, "ED has issued summons for donating to National Herald and Young India. ED is torturing us. It is not correct and I condemn it."

Replying to questions on ED summons, he said, "We have been cooperating with the investigation from the beginning and there is nothing to hide. I don't understand why ED has charge sheeted us. There was no need for registering a police complaint in this case. We will fight this legally in the court of law."

Need to provide info by Dec 19

"ED has issued summons to me and my brother DK Suresh. We had replied to the summons some time back. It is shocking that they have issued the summons once again. The Delhi police have instructed us to provide information by December 19," he informed.

"We are paying our taxes and we are free to give our money to anyone we want. They had even registered a PMLA case in order to torture us, what happened after that? The only objective seems to be to torture supporters of Sonia Gandhi and Rahul Gandhi and create confusion," he said.

"National Herald and Young India are Congress party's organizations. We are Congressmen and hence we had donated money from our Trusts when these organizations were in difficult times. Many other people also helped during that time," he explained.

"My brother had donated some money when he was the MP. We will go through the notice and take necessary legal steps," he added.

Congress worker murdered by rival group in Chikkamagaluru

CHIKKAMAGALURU

A Congress worker was allegedly murdered during a clash between two groups in Chikkamagaluru district, police said on Saturday.

The deceased, identified as Ganesh Gowda, 38, was a member of the gram panchayat. The incident occurred late on Friday night at Sakharayapatna in Kadur taluk, police added.

A fight broke out between two groups over a banner near a mutt at around 9.30 pm. Several members from both sides sustained serious head injuries and were admitted to Chikkamagaluru District Hospital, police said.

During the clash, Gowda was attacked with a sharp weapon, a senior police officer said.

Police said the same groups had earlier clashed near a bar in Sakharayapatna, and about half an hour after that altercation, the attack took place near the math.

Superintendent of Police Vikram Amathe said Gowda was murdered on Friday night, and police, along with a Scene of Crime Officer team, have visited the spot. A case has been registered at the Sakharayapatna police station. Police said the exact sequence of events and the motive will be established once the culprits are arrested, and further investigation is ongoing.

BJP to lay siege to Suvarna Vidhana Soudha on Dec 9: Vijayendra

BENGALURU

Karnataka BJP president B. Y. Vijayendra on Saturday said the party, along with thousands of farmers, will lay siege to the Suvarna Vidhana Soudha in Belagavi on December 9 during the winter session of the state legislature. He said the protest will highlight key issues affecting the state and expose what he called the Congress government's "failures."

The winter session will be held in Belagavi from December 8 to 19. Vijayendra said BJP and JD(S) leaders have planned a strategy to raise concerns related to north Karnataka, irrigation, and farmers. He noted that discussions on north Karnataka are usually limited to a single day, but this time the opposition intends to take them up early in the session.

According to Vijayendra, sugarcane farmers' grievances remain unresolved, maize procurement has been mishandled, and the government has procured only 5 lakh of the required 54 lakh metric tonnes. Procurement of green gram, black gram, and paddy has not begun, and compensation to farmers is delayed. To demand action, the BJP plans to mobilize 15,000–20,000 farmers for the December 9 protest, while also raising these issues in the Assembly.

Accusing the Congress government of corruption, he pointed to the MUDA scam, the Valmiki ST Development Corporation scam, and allegations of a 60% commission. He claimed development has stalled and farmers are suffering.

K'taka reports major drop in cybercrime cases in 2025

BENGALURU

Karnataka's strong fight against cybercrime has led to a major drop in cases this year, bringing the numbers down to 13,000 in 2025. This decline comes as the rest of India continues to struggle with rising online scams, including fake trading schemes and the growing trend of "digital arrest" fraud.

Home Minister Dr. G. Parameshwara shared the latest data, noting that cybercrime numbers have fallen sharply when compared with 2023 and 2024. He credited the State's bold steps for the improvement. Karnataka is the first in the country to appoint a dedicated Director General of Police for the cybercrime division, showing a clear commitment to tackling digital threats more effectively.

WAR ON TERROR

India-US push for stronger action against terror

NEW DELHI

India and the United States have agreed to push for stronger global measures against Pakistan-based groups like Lashkar-e-Taiba (LeT) and Jaish-e-Mohammad (JeM). Both countries said these groups, along with their supporters and proxy organisations, should face tougher United Nations actions, including freezing assets, travel bans, and an arms embargo.

The decision came during meetings of the Joint Working Group on Counter Terrorism and the Designations Dialogue held in New Delhi on December 3. Officials from both sides discussed ways to boost cooperation in fighting terrorism. India thanked the U.S. for declaring The Resistance Front (TRF), a LeT proxy, as a Foreign Terrorist Organisation and a Global Terrorist. TRF had claimed responsibility for the Pahalgam attack.

The two countries condemned all forms of terrorism, including cross-border attacks. They also expressed worry about the growing use of drones, unmanned vehicles, and artificial intelligence in terrorist activities. Both sides strongly condemned the recent terror attacks in Pahalgam and near the Red Fort and said the attackers must be punished.

India and the U.S. also agreed to work together more closely in the UN, the Quad, and the Financial Action Task Force. They reviewed threats like terror recruitment, misuse of technology, and terror financing. Plans were discussed to improve cooperation through training, cybersecurity support, sharing information, and better coordination between law-enforcement and judicial agencies.

Vinod Bahade from India's Ministry of External Affairs and Monica Jacobsen from the U.S. State Department led the talks.

Congress slams Modi over IndiGo crisis

NEW DELHI: The Congress criticised the government on Saturday over widespread IndiGo flight disruptions, saying Prime Minister Narendra Modi promised ease of air travel but delivered "cease of air travel." The party questioned whether Civil Aviation Minister K. Rammohan Naidu would take responsibility for what it called an unprecedented crisis. Congress leaders claimed the chaos was not accidental but the result of the government's push toward creating a duopoly.

ED files charge sheet against Reliance Power

NEW DELHI: The Enforcement Directorate (ED) has filed a chargesheet against Anil Ambani's Reliance Power Ltd and 10 others in a money laundering case. The case involves an alleged fake bank guarantee worth Rs 68 crore used to secure a tender. Named in the prosecution are former Reliance Power CFO Ashok Kumar Pal, Reliance NU BESS Ltd, Rosa Power Supply Company Ltd, executive Punit Narendra Garg, and Odisha-based Biswal Tradelink Pvt Ltd.

AI, AI Express to Add Capacity amid Indigo chaos

NEW DELHI: Air India Group is adding flight capacity to assist passengers affected by IndiGo disruptions. Since December 4, the airline has capped economy-class fares on non-stop domestic flights to prevent price spikes due to high demand. Both Air India and Air India Express have implemented these fare limits, aiming to make travel more affordable and ensure stranded passengers can reach their destinations.

Bengaluru sees record vehicle registrations this year

BENGALURU

Bengaluru is witnessing a surge in vehicle registrations, adding to the city's notorious traffic woes. From April to October 2025, over 3 lakh two wheelers and nearly 85,000 cars were registered. Two wheelers remain the most popular, followed by cars. The city's total private vehicle count rose from 1.05 crore to 1.09 crore during this period. Officials note that private vehicles far outnumber public transport options, contributing to congestion. Across Karnataka, 11 lakh vehicles were registered in the same seven months. Transport authorities warn that if the trend continues, Bengaluru's traffic situation could worsen significantly, urging citizens to consider sustainable commuting alternatives.

Nandini parlours may replace Indira Canteens soon

BENGALURU

The future of Indira Canteens appears uncertain as the Greater Bengaluru Authority considers converting them into Nandini milk parlours. Officials say many canteens remain underused, operating only during meal hours and staying empty the rest of the day. GBA Commissioner M. Maheshwar Rao confirmed that Nandini parlours are likely to open soon, with a proposal being readied for the government. The move aims to boost revenue by leasing the spaces, though concerns remain about shifting focus without first fixing problems in the existing canteens. The decision may significantly change how these public spaces serve the community.

₹30 Pub Offer Sparks Traffic Chaos in Hebbal

BENGALURU

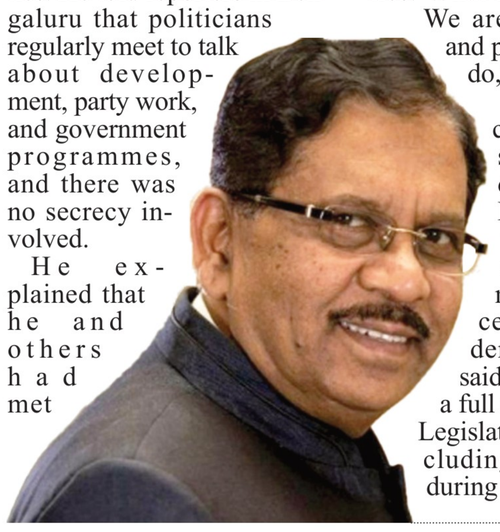
A Bengaluru pub's third-anniversary offer of "any dish for ₹30" created unexpected chaos in Hebbal recently. The promotion, shared widely online, drew nearly 1,000 people to a venue that could seat only 300. Long queues formed inside and outside, forcing the management to close the pub before 4 p.m. frustrated customers complained of poor planning and no notice about the early closure. Heavy crowds and parked vehicles caused major traffic jams near the Hebbal Flyover and Esteem Mall. Police arrived after multiple complaints and ordered the pub to shut temporarily to restore order.

Minister defends casual political dinner meeting

Congress leaders' private dinner defended as routine political discussion amid ongoing criticism

BENGALURU

Home Minister G. Parameshwar questioned the controversy surrounding a recent private dinner attended by five Congress leaders, saying there was "nothing wrong" in meeting and discussing politics. He told reporters in Bengaluru that politicians regularly meet to talk about development, party work, and government programmes, and there was no secrecy involved.



He explained that he and others had met Public Works Minister Satish Jarkiholi because his ministry handles key responsibilities. The group also spoke about political developments, the party's ideology, and the progress of government schemes. "We had dinner twice and spoke about politics. What is wrong in that? We are all politicians, and politics is what we do," he said.

Responding to criticism about the state's law and order situation, Parameshwar said the statistics show improvement. While accepting that incidents do occur, he said he would present a full comparison in the Legislative Assembly, including crime records during the previous BJP government. He added that he would also show earlier video evidence related to incidents at Parappana Agrahara Jail to explain the timeline clearly.

Speaking about the murder of a Congress Gram Panchayat member in Chikkamagaluru district, the Minister said the local police were already investigating, and the motive would be known after the report is submitted.

He also addressed questions about the Dharmasthala case, stating that the SIT has already submitted its report to the court and the government.

"If the issue is raised in the House, we will respond. Nothing is being hidden," he said.

Parameshwar emphasised that the government remains transparent, accountable, and ready to explain every matter placed before the Assembly.

Kumble, Srinath back Prasad in KSCA presidential race today

BENGALURU

Anil Kumble criticised the current administration, saying Karnataka cricket needs change, infrastructure upgrades at Chinnaswamy, and that Prasad's team can deliver reforms after recent setbacks

The Karnataka State Cricket Association (KSCA) election will take place today (Dec 07), and a fierce contest is unfolding between former cricketer Venkatesh Prasad's faction and the group led by senior administrator Brijesh Patel. With tensions rising, members of the Prasad camp met KSCA voters today at Palace Grounds to seek support. Hundreds of KSCA members attended the event, where former cricketers Anil Kumble and Venkatesh Prasad represented "Team Game Changers."

The Prasad group presented a detailed slideshow highlighting what they described as administrative failures under the Brijesh-led setup. Speaking at the gathering, Anil Kumble expressed strong dissatisfaction with the current administration. He said change was essential for the future of cricket in Karnataka. Kumble added that while earlier committees made progress, recent years had seen a major setback. He stressed that Chinnaswamy Stadium's infrastructure must be upgraded and that Prasad's team had the capacity to bring meaningful reforms. He also noted that KSCA has no shortage of funds, but argued that proper administration was needed to focus on the growth of cricket and support young players who dream of representing the state.

Voting for the KSCA elections will begin today at 11 a.m., and the results are expected on the same day. Members say the contest will be intense, with both the Prasad and Brijesh factions confident of victory.

Residents suffer from animals centre's strong smell issue

BENGALURU

Residents of Valagerehalli in Kengeri have complained that a strong foul smell from the Krupa Loving Animals Centre is causing breathing problems for children, pregnant women, and the elderly.

The centre, which cares for sick animals, is located near the Adishakti Maramma Temple and the Srinilayam Housing Complex. Residents say the smell has made daily life difficult, forcing people to walk with their noses covered.

At a press meet held in the Srinilayam Housing Complex, Residents' Union President N. Kadarappa said the centre handles sick animals in an unscientific way and does not maintain cleanliness.

He explained that several complaints were made to BBMP's Health Department, the Pollution Control Board, and other officials, but no action has been taken. Even the local MLA did not intervene, the residents said.

People living in the nearby apartments and houses, around 6,000 in number, are demanding that the centre be shifted to another location.

Decades of dumping at Mittaganahalli and Kannur produced toxic leachate polluting villages, lakes and harming residents and wildlife

City tackles garbage crisis with massive leachate project

CH NEWS, BENGALURU

ಬೆಂಗಳೂರು ಘನತ್ಯಾಜ್ಯ ನಿರ್ವಹಣಾ ಕಂಪನಿ ನಿಯಮಿತ
BENGALURU SOLID WASTE MANAGEMENT LIMITED
30/1, 1st & 2nd Floor, UNI Building, Thimmaiah Road,
Vasanth Nagar, Bengaluru - 560 052.
CIN No. : U37100KA2021SGC147734
PAN No. : AAJCB865619
TAN No. : BLRB21071B

The Bangalore Solid Waste Management Company Limited (BSWML) is set to build a full-scale Leachate Treatment Plant to handle the capital's hazardous liquid waste generated from garbage dumps. The company has issued tenders worth ₹474.89 crore to Mukka Proteins Limited, which will treat leachate at ₹1.65 per litre. The proposal has received approvals from the Cabinet, Finance Department and Urban Development Department.

For decades, solid waste has been continuously dumped in Mittaganahalli and Kannur, resulting in the accumulation of an estimated 2,878 million litres of untreated leachate. This toxic liquid has been spilling into nearby villages and farmlands during rains, polluting lakes and endangering the health of residents, fish, birds and livestock. With the new order, Mukka Proteins must construct the treatment plant within nine months, and process all leachate in phases over four years. The Karnataka State Pollution Control Board (KSPCB) and BSWML will supervise and coordinate the operations.

Officials say Bengaluru currently lacks sufficient land-based units to safely dispose of garbage. Overflowing leachate pits have caused widespread environmental damage, forcing residents to repeatedly protest against the Bhubanahalli waste units. Once treated, the processed water can be safely reused for watering plants, vehicle washing and, in some cases, lake refilling—significantly reducing pollution risks.

The BSWML, formed in May last year, oversees door-to-door collection through autos and transports waste to treatment centres. Vehicles, drivers, helpers, marshals and ward-level engineers now function under the company, with the government and GBA providing annual grants.

New AVEDA flagship brings global wellness to Bengaluru

BENGALURU

Play Salon has opened its new AVEDA flagship store at Essensai 067 in Bengaluru, marking an important moment in its growth.

The brand says this store will offer world-class beauty, hair, and wellness services using AVEDA's plant-powered approach. The launch event was inaugurated by MLA Manjula Aravind Limbavali, who praised Play Salon founder Neeru Radhakrishnan for bringing high-quality global wellness experiences to the city.

The new store blends premium salon treatments with AVEDA's well-known botanical products. The space has been designed with a modern look, warm lighting, and a layout focused on customer comfort.

The brand says the design reflects AVEDA's values of wellness, sustainability, and natural care. Visitors can expect soothing services, clean beauty products, and an atmosphere meant to help them relax and refresh.

Speaking at the event, Neeru said she was excited to bring AVEDA's flagship experience to the city. She added that Play Salon aims to redefine beauty and wellness with expert professionals, high-performance plant-based products, and a space that supports calm and healing. She noted that the team wants customers to feel rejuvenated from the moment they enter.

With this launch, Play Salon strengthens its position in Bengaluru's beauty and wellness market. The company has built a reputation for offering high-standard services, and the new flagship store is expected to further enhance customer trust.

The brand believes that combining top-quality treatments with eco-friendly products will help more people choose cleaner and healthier beauty options.

Bengaluru launches major cleanliness drive on Elu's Road

BENGALURU

A major cleanliness drive was carried out on a 12-kilometre stretch of Elu's Road near the Purva Palm Beach residential area under the Bengaluru East City Corporation. The activity was led by Additional Commissioner (Development) Lokhande Snehal Sudhakar, who oversaw the large team involved in the effort. Officials said the goal was to improve hygiene, remove waste and clear long-standing problem spots along the busy road.

During the drive, workers cleaned both sides of the road as well as the central median. Large amounts of silt, debris and old waste were removed.

Unusable household items such as broken sofas, damaged beds and discarded commodes were also cleared. Permanent block spots were cleaned and beautified to prevent future waste dumping. Side drains were cleared to ensure smooth flow of stormwater, especially during rains. Overgrown plants and weeds were removed from footpaths, and obstructions hindering pedestrians were cleared. Unauthorized flex banners and hoardings were taken down as part of the beautification effort. Officers also instructed continuous monitoring to maintain the improved cleanliness standards. To encourage public involvement, officials met with Resident Welfare Associations from Purva Palm Beach and Hanumanagar. Residents were guided on reducing wet waste by converting kitchen waste into compost at home. The Additional Commissioner said community participation was essential for keeping the area clean. The Mahadevapura and K.R. Puram zones jointly supported the operation. More than 100 paurakarmikas, along with six auto tippers, four tractors and several cleaning tools, were deployed. The Additional Commissioner also interacted directly with marshals, supervisors and paurakarmikas, listened to their concerns and promised quick action to solve operational issues.

St. John's Hospital celebrates fifty years of service

BENGALURU

St. John's Medical College Hospital in Bengaluru marked a major moment as it celebrated its Golden Jubilee, completing 50 years of service to people from all walks of life. The event took place at the St. John's National Academy of Health Sciences Auditorium, where leaders from the government, church, and medical community gathered to honor the hospital's long journey of compassionate care. Transport Minister Ramalinga Reddy attended as the Chief Guest, while Health Minister Shri Dinesh Gundu Rao joined as the Guest of Honour. Both praised the hospital for its steady commitment to healing without commercial pressure. Senior church leaders, including Most Rev. Andrews Mar Thazath, Most Rev. Victor Henry Thakur, and Most Rev. Peter Machado, were also present, adding grace to the celebration. Rev. Fr. Jesudoss Rajamanickam, Director of the hospital, welcomed everyone and spoke proudly about the hospital's rich history. He reminded the gathering of the founding belief that "even the least deserves the best," a value the institution continues to follow. A special part of the event was the unveiling of the Golden Jubilee Souvenir by the Chief Guest. Several senior doctors who have served the hospital for more than five decades were honored for their lifelong dedication. They included Dr. George Dsouza, Dr. A. Mohan, Dr. Chandramouli K. S., Dr. Vijay Joseph, and Dr. Ravindran G. D.

Leaders who spoke at the event praised St. John's for shaping thousands of healthcare professionals through its hospital, medical college, nursing college, and research wings. They said the Golden Jubilee is not only a celebration of the past but also a promise to continue serving society with kindness, skill, and responsibility.

ZERO TOLERANCE DIRECTIVE

Top police chief warns staff against criminal behaviour

BENGALURU

Karnataka DG & IGP Dr. M.A. Salim has issued a strong warning to all police officers and staff across the state after several reports surfaced about personnel being involved in theft, robbery and fraud. In a formal letter, he said such behaviour harms the image of the police department and weakens public trust.

Dr. Salim expressed serious concern that a few officers were damaging the department's dignity through illegal activities. He said the police force must set an example of honesty and discipline, and any violation will face strict action.

He issued detailed instructions to all unit officers, stressing that regular background checks and integrity assessments must be done for all staff.

He also directed departments to conduct awareness and training programmes on ethics, legal duties and the consequences of crime and corruption.

Unit heads have been told to immediately report any misconduct or criminal links of their staff to police headquarters. The DG & IGP reminded officers that maintaining the department's dignity is a shared responsibility at every level.

He also asked departments to arrange guidance and counselling sessions to address stress, low morale and other issues that could lead to misconduct. Dr. Salim emphasised the strict implementation of the existing code of conduct and insisted that no deviation would be tolerated.

He said all police personnel must obey the law without exception. The letter concluded with a firm message: the dignity, respect and integrity of the police department cannot be compromised under any circumstances.

Dr. Salim's warning aims to restore public confidence and ensure the Karnataka police force maintains the highest standards of discipline and honesty.

QUICK READ

Rajanna announces retirement from electoral politics

Tumakuru

Congress MLA K.N. Rajanna has announced that he will not contest the next Assembly elections, marking a significant step toward concluding his electoral career. The senior leader revealed his decision during the Sahakari Ratna award ceremony, where he stated that he would not be a candidate in the 2028 Karnataka Assembly elections. Rajanna's announcement comes as a notable development within the state's political landscape, especially considering his longstanding involvement and influence. By openly declaring his withdrawal from future electoral contests, he has effectively signalled the beginning of his retirement from active politics.

Fight Erupts in Karwar District Jail; 3 Staff Members Attacked

Karwar

A tense situation unfolded at the Karwar District Jail in Uttara Kannada district after a violent clash broke out between inmates and prison staff, leaving three staff members, including a jailer injured. The incident prompted an immediate response from the city police, who rushed to the facility to restore order and begin an investigation. According to preliminary reports, the altercation began when prison officials refused to allow inmates to use tobacco and other intoxicants within the jail premises. Enraged by this restriction, a group of prisoners allegedly attacked the staff on duty. The attackers have been identified as Mohammed Abdul, Fayan, and Kaushik Nihal, all residents of Mangaluru.

Health Officials Stress Urgent Need for HIV/AIDS Awareness

A health awareness program in Chitradurga emphasized HIV prevention, maternal care, polio immunization, and community education initiatives

CHITRADURGA

At a health awareness program held in Mathadakurubarahatti village of Chitradurga taluk, District Health Education Officer Krishna Nayak underscored the critical importance of creating awareness to prevent the spread of HIV infection and AIDS. The event was organized in front of the Durgamma Temple by the Health Department in collaboration with Jannadi Charitable Trust.

Speaking at the program, Krishna Nayak noted that HIV is caused by a virus that weakens the immune system, making the body vulnerable to opportunistic infections. He pointed out that symptoms such as severe diarrhoea eventually lead to the advanced stage known as AIDS.

Taluk Health Education Officer B. Moogappa elaborated on the modes of HIV transmission. He explained that the virus can spread through unprotected sexual contact with an infected person, transfusion of untested blood, use of unsterilized needles or syringes, and from an infected mother to her child during pregnancy, childbirth, or breastfeeding. He highlighted that early testing and timely treatment at government hospitals can significantly reduce the risk of HIV transmission from mother to child, ensuring newborns lead healthy lives.

Moogappa also clarified common misconceptions, stressing that HIV does not spread through sharing food or touching an infected individual. He urged the community to avoid stigma and discrimination, instead extending support and compassion to affected persons. The officials further informed that the Pulse Polio campaign will begin on December 21. Regardless of how many times children have received polio drops in the past, all children under the age of five must be given two drops on that day to strengthen immunity and eradicate the disease.

As part of the program, the Kala Nidhi team from Malluru, led by Rajanna, performed street plays highlighting issues such as prevention of child marriage, reducing maternal and infant mortality, immunization awareness, and control of infectious diseases through educational songs and skits.

The event was attended by MK Hatti Gram Panchayat member Mallikarjun, Jannadi Charitable Trust President Anil Kumar, Vice President Ganesh, Primary Health Safety Officer Sujatha, ASHA workers, Anganwadi staff, and local residents.

Nominations Begin for Bashettihalli Town Panchayat Elections

DODDABALLAPURA

Bashettihalli Town Panchayat will vote on December 21 as early nominations start, with two independent candidates entering the race

Preparations for the Bashettihalli Town Panchayat elections are underway, with voting scheduled for December 21. According to election officials, two candidates have filed their nominations so far, marking the beginning of the election process.

Independent candidate Srinivas Reddy has filed his papers for the 4th Ward Arehalli Guddadahalli General Constituency, while C. Munindra has submitted his nomination for the 5th Ward Varadanahalli (East) Scheduled Caste Constituency. Both candidates are contesting independently.

Bashettihalli Town Panchayat comprises 19 wards, and arrangements for filing nominations have been finalized. Candidates from Wards 1 to 10 can submit their papers at the Bashettihalli Government Primary School, whereas nominations for Wards 11 to 19 are being accepted at Ambedkar Bhavan. The final date to file nominations is December 9.

Election authorities have scheduled the scrutiny of nomination papers for December 10. Candidates wishing to withdraw their applications may do so until December 12. Officials noted that a larger number of nominations are expected to be filed on December 8.

Meanwhile, a by-election will also take place on December 21 for the Hemavathipete ward seat in the Doddaballapur Municipal Council. The seat fell vacant following the death of councillor S.A. Bhaskar.

Devotees Perform Full-Moon Giripradakshina at Alambagiri Hill

ALAMBAGIRI

A vibrant Sankirtana Giripradakshina was held at the natural foothills of Alambagiri hill near Chintamani, drawing hundreds of devotees to the traditional full-moon ritual. Just a kilometer from the revered Kalki Venkataramana Temple, the site saw worshippers arriving early to offer prayers and join collective chanting. After completing customary worship at the temple, devotees assembled on a specially arranged cone-wheel platform at the hill's base, where they recited sacred chants and offered prayers to Lord Ganesha, seeking peace, prosperity, and the well-being of all. Participants then began the Giripradakshina, a one-kilometer circumambulation of the hill, singing three traditional hymns that created a serene spiritual atmosphere. The calm natural surroundings made the early morning walk both refreshing and uplifting. After completing the circuit, devotees returned to the platform for a mass prayer session. Organizers noted that such full-moon rituals strengthen spiritual discipline and unity, drawing more participants each month.

Mandya DLSA Promotes Free Legal Aid at Krishi Mela

MANDYA

The Mandya District Legal Services Authority used the platform of Krishi Mela 2025, held at VC Farm in Mandya Taluk, to spread awareness about the legal services available to farmers and the general public. Pamphlets detailing various facilities were released, followed by an address from Shri Anand M., Member Secretary of the Authority and Senior Civil Judge.

In his remarks, Shri Anand described farmers as the nation's backbone and emphasised the Authority's mission to expand legal awareness in rural areas. He announced that a National Lok Adalat will be held on December 13, 2025, during which cases will be settled across all taluk-level court complexes in the district. He urged citizens to make full use of this opportunity, assuring that free legal services would be provided. Creating legal awareness among farmers alongside their agricultural work, he said, remained a key priority for the Authority.

Speaking later, Senior Advocate and National Human Rights Trainer M. Guruprasad appealed to the people and farmers of Mandya district to actively utilise the services offered by the Legal Services Authority. He noted that availing these services—covering compoundable criminal cases, cheque bounce disputes, revenue matters and more—would help citizens save valuable time and resources. Such support, he added, plays a crucial role in strengthening the economic stability of individuals and the community. The event underlined the Authority's continued commitment to bridging legal access gaps in rural Karnataka.

Farmers' Protest against KIADB Land Acquisition in Sarjapur Reaches 150 Days

ANEKAL

The ongoing protest by farmers opposing the KIADB land acquisition in Sarjapur hobli of Anekal taluk has reached a significant milestone, completing 150 days of continuous agitation. Despite harsh winter conditions, the protesting farmers continue to hold a determined sit-in, demanding that authorities address their grievances.

Farmers from several villages have been participating in the round-the-clock protest, expressing frustration that the government has not yet responded to their concerns. The protesters argue that the proposed land acquisition threatens their livelihood, agricultural stability, and the community's traditional way of life. Many expressed disappointment that their long-drawn struggle has been met with indifference.

Speaking at the protest site, farmer leader Sujatha strongly condemned the lack of response from authorities. She warned that unless the demands of the farmers in the Sarjapur region are fulfilled soon, the agitation will escalate. We will organize a march to Bengaluru in the coming days, and the struggle will intensify, she said, emphasizing that the farmers were prepared for a prolonged fight to protect their land.

Prominent farmer leaders including Keshav, Parashuram, Chinnappa Chikkahagade, Harish Annaiah, Manjula, Uma Rajesh, Sunil, Srinivas Reddy, Praveen, Venkataswamy Reddy, and Basanna were present at the protest, reaffirming their solidarity with the movement.

In addition to the land-related agitation, farmers and local organizations have also raised environmental concerns. As part of a separate initiative, the Bharatiya Kisan Sangh Anekal unit and the Anekal Land Acquisition Anti-Water Struggle Committee organized a Water Awareness Walkathon. The objective was to safeguard lakes and water resources in the taluk and condemn the release of untreated industrial wastewater into local water bodies.

Activists stressed that industrial pollution has become a growing threat to the region's ecology and agricultural sustainability. They urged authorities to take strict action against industries polluting lakes and to implement measures to restore local water sources.

MLA Allocates ₹5 Cr for Religious Sites

SRINIVASAPUR

In a bid to boost development and improve infrastructure in Srinivasapur constituency, MLA G.K. Venkatasiva Reddy announced that he has already allocated ₹5 crore from his fund specifically for the development of religious places across the area. The MLA made the announcement while addressing a KDP meeting of taluk-level officials held at the University of Horticulture Department in Hogalagera, located on the outskirts of the town. During his address, he stressed the importance of planned and phased development to ensure sustainable growth in all villages of the constituency.

Wild Elephants Destroy Millet Crop in Kanakapura Village

KANAKAPURA

A herd of wild elephants created havoc in Chamundipur village of Kodihalli hobli in Kanakapura, destroying a fully harvested millet crop and causing severe financial losses to several farming families. The sudden raid by the elephants has left villagers distressed, with many estimating their combined losses to be worth several lakhs of rupees. For the affected farmers, the destruction could not have come at a worse time, as the millet crop had been harvested and stored after months of hard work. Farmer Gunda Nayak, one of those who suffered the most, voiced his frustration over the recurring issue of wild elephant attacks. He stated that the crop his family had nurtured for months was reduced to nothing overnight. Elephants destroyed the millet that the entire family had worked hard to grow. The forest department kept guards only while the crop was growing, but there was no protection during harvest time. This loss happened because the guard was not there when it mattered, he said. He further added that the compensation offered by the government falls far short of the actual damage suffered.

Residents of Chamundipur have long been troubled by elephant movement from nearby forest areas, especially during harvesting seasons when crops attract wildlife. The recent attack has renewed demands for stronger and more consistent patrolling by the Forest Department, particularly during the post-harvest period when crops are most vulnerable.

Ambedkar's Vision Celebrated With Cleanliness Drive

RAMANAGAR

In line with Baba Saheb Dr. B.R. Ambedkar's vision, a cleanliness program was organized to mark his Mahaparinirvana Day, said City Council President K. Sheshadri (Shashi).

On Saturday, at Aga Layout in the city's First Ward, the City Council, along with several associations and organizations, jointly observed the 69th Mahaparinirvana Day of Dr. Ambedkar through a cleanliness drive. After the program, participants offered floral tributes to Ambedkar's portrait.

Sheshadri highlighted that Ambedkar faced untouchability, inequality, and discrimination in his childhood. Drawing from these experiences, he framed the Constitution, which continues to guide the nation. He said Ambedkar is remembered worldwide, and the Constitution he created serves as a model globally.

Through the Constitution, Ambedkar gave equal rights to all citizens. From laborers to sanitation workers and even the President, everyone was given the right to vote. Sheshadri described Baba Saheb as a great leader whose contributions socially and economically remain remarkable.

He urged the youth to embrace Ambedkar's spirit and understand his vision for an equal society. "Today marks the day he left us, and we must pay heartfelt tribute to him," he added. Planning Director Shekhar and Municipal Commissioner Dr. C. Jayantha said it was a memorable day for the nation to honor Ambedkar, stressing the need to understand and follow his ideas.

Others present included KDP member Puttanna, retired DYSP Sampath Kumar, ward leaders Harish Balu, lecturer Vishwanath, Kavitarav, City Council officer Vijay Kumar, cleanliness officer Chitrarav, district president Venkatesh, Taluk president Kollapuri, and several others.

Rajanna makes announcement about retirement from electoral politics

TUMAKURU

Congress MLA K.N. Rajanna has announced that he will not contest the next Assembly elections, marking a significant step toward concluding his electoral career. The senior leader revealed his decision during the Sahakari Ratna award ceremony, where he stated that he would not be a candidate in the 2028 Karnataka Assembly elections. Rajanna's announcement comes as a notable development within the state's political landscape, especially considering his longstanding involvement and influence. By openly declaring his withdrawal from future electoral contests, he has effectively signalled the beginning of his retirement from active politics.

AMBEDKAR'S VISION INSPIRES GOVERNANCE, SAYS PM MODI

Prime Minister Narendra Modi paid tribute to Ambedkar's vision for equality

NEW DELHI

Prime Minister Narendra Modi on Saturday led the nation in remembering Dr B. R. Ambedkar on Mahaparinirvan Diwas. He highlighted Ambedkar's enduring contributions to justice, equality, and constitutional values.

The popular social media handle Modi Story on X drew parallels between Ambedkar's principles of social justice and the government's motto: 'Sabka Saath, Sabka Vikas, Sabka Vishwas, Sabka Prayas.' It noted that Ambedkar dreamed of equality and upliftment for every citizen, a vision reflected in the Modi government's efforts that lifted nearly 25 crore people out of poverty over the past decade.

Modi Story recalled PM Modi's tenure as Gujarat Chief Minister, citing more than a hundred welfare and development schemes under the Social Justice and Empowerment Department. These initiatives advanced educationalized communities. Projects like Ambedkar Bhavan, Samvidhan Yatra, statue unveilings, and Swachh Gujarat Maha Abhiyan reinforced Ambedkar's legacy at the grassroots level.

At the national level, PM Modi shaped Ambedkar's wider legacy through initiatives such as Panchteerth, Ambedkar memorials in London and Delhi, and the Dr Ambedkar International Centre for Socio-Economic Transformation in Janpath. Constitution Day was formally declared in 2015 to strengthen civic awareness of Ambedkar's work.

Programs like ASIIM and PM-AJAY support innovation and socio-economic growth for SC communities, showing how Ambedkar's economic ideas continue to guide policy. Modi Story emphasized that the government's consistent efforts ensure Ambedkar's ideals shape India's social and economic future, beyond being remembered only in history books.

BJP MP Introduces Bill to Remove Words from Preamble

NEW DELHI

BJP Rajya Sabha MP Bhim Singh introduced a Private Member's Bill seeking to remove the words "secular" and "socialist" from the Constitution's Preamble, calling their inclusion during the Emergency "undemocratic" and unnecessary. Singh, who presented The Constitution (Amendment) Bill, 2025, argued that the two terms were added by then-Prime Minister Indira Gandhi in 1976 under the 42nd Amendment without proper debate, while opposition leaders like Atal Bihari Vajpayee, Lal Krishna Advani, and George Fernandes were jailed. He said the original Constitution of 1949, in force from 1950, did not contain these words.

Singh cited Dr. B.R. Ambedkar's remarks during the Constituent Assembly debates, noting that India's Constitution was designed to make the country secular and promote welfare without explicitly using these terms. He added that socialism and secularism were already reflected in the Constitution's broader principles. The BJP MP alleged that the terms were included for political reasons—"socialist" to appease the USSR and "secular" to appease Muslims—and claimed their presence causes confusion. He emphasised that the Bill does not affect fundamental rights or other constitutional provisions.

Acknowledging the low success rate of Private Member's Bills—only 14 have become law in India's history—Singh said the proposal aims to draw public and government attention to the issue.

Delhi CM Rekha Gupta Assures Citizens on Pollution Control

NEW DELHI

Delhi Chief Minister Rekha Gupta on Saturday assured residents that her government is taking action on all fronts to tackle rising pollution in the National Capital, describing the fight as a continuous "mission mode" operation. Gupta highlighted multiple sources of pollution, including vehicle emissions, smoke, dust, open garbage burning, and wood burning. She said the government is addressing each factor actively, with ongoing measures such as installing mist systems on electric poles to reduce airborne pollutants.

In a post on X, the Chief Minister stated that hundreds of sprinkler vehicles are regularly washing Delhi's Ring Road to control dust, marking the first time such an initiative is being carried out at this scale. "Our mission is one for all—pollution control. This initiative is an effective step towards improving air quality and shows the government's strong resolve to provide a clean environment," she wrote.

Earlier in the day, Gupta participated in a road-cleaning and washing campaign at Khyber Pass Square in Civil Lines, organised by the Public Works Department. Cabinet Minister Ravindra Indraj Singh and MLA Surya Prakash Khatri also took part in the campaign, demonstrating government commitment at multiple levels.

Despite ongoing efforts, Delhi woke up to heavy smog on Saturday morning, with the Air Quality Index (AQI) at 333, categorised as "very poor" by the Central Pollution Control Board.

Areas including Ghazipur Mandi, Anand Vihar, and Wazirpur reported dense haze and reduced visibility, highlighting the urgent need for sustained pollution-control measures.

India-Russia Ties Remain Strong, Jaishankar Affirms

NEW DELHI

External Affairs Minister S Jaishankar on Saturday described India-Russia relations as among the "steadiest big partnerships" over the last 70-80 years, he said President Vladimir Putin's recent visit to New Delhi focused on reimagining the relationship, especially its economic dimension.

External Affairs Minister S Jaishankar calls India-Russia relations among the world's steadiest, highlighting economic agreements and strategic autonomy amid global challenges

Responding to concerns about India-US trade negotiations, Jaishankar said India maintains strategic autonomy and has the freedom to build relationships with all major countries. He emphasised that diplomacy should protect national interests, not appease others, noting ongoing US tariff disputes.

Jaishankar highlighted key outcomes of Putin's visit, including a mobility agreement for Indian workers in Russia and a joint venture on fertilisers. These steps aim to strengthen economic ties, which had lagged compared to political and defence cooperation.

On China, he said peace along the border is essential for healthy relations, while trade, investment, and transparency issues continue to be addressed. Regarding Pakistan, Jaishankar noted that many of India's challenges stem from the Pakistani military's policies and support for terror groups, adding that India should not be overly focused on Pakistan.

On Bangladesh, he expressed confidence in the country's democratic process and India's continued support, noting that the decisions of its leaders, including former Prime Minister Sheikh Hasina, would shape future relations. Jaishankar reiterated that India, as a rising global power, seeks balanced cooperation with multiple nations, maintaining strong partnerships while safeguarding national interests and economic growth.

Omar Abdullah Criticises UT Model over Security Decision Silos

NEW DELHI

Jammu and Kashmir Chief Minister Omar Abdullah on Saturday called his first year in office "a difficult one" due to major terror incidents, while sharply criticising the Union territory (UT) model for creating a "silo" in security decision-making.

Abdullah rejected claims of a "return" of homegrown terrorism, saying it never truly disappeared. He warned that those expecting post-2019 constitutional changes to end terrorism were mistaken, citing the April 22 Baisaran attack in Pahalgam and the November 10 Delhi blast as examples.

Abdullah highlighted the risks of heightened security responses, stating that any similar attack in the future could be treated as an "act of war." He stressed that the Delhi blast's domestic origin prevented immediate enactment of what he called the "Modi doctrine on internal security."

Criticising the UT model, Abdullah said elected governments cannot be removed from security decisions. He recounted being unaware of details about the Delhi blast, unlike his first term as J&K chief minister when officials would inform him promptly. He noted that crucial intelligence often reached him informally through public chatter rather than official channels.

6	9	4	3	1	7	2	8	5

Fill a 9×9 grid with numbers so that each row, column and 3×3 section contain all of the digits between 1 and 9.

Solutions to Yesterday's puzzle

'Jai Bhim' Slogan Originated From Maharashtra Village

CHHATRAPATI SAMBHAJINAGAR

The slogan 'Jai Bhim' has become a symbol of Dalit awakening and empowerment in India, but few know its origin. The phrase, showing respect for Dr B. R. Ambedkar, was first raised at the Makranpur Parishad, a conference held in Makranpur village in Kannad tehsil of today's Chhatrapati Sambhajinagar district, Maharashtra.

The conference took place on December 30, 1938, and was organised by Bhausaheb More, the first president of the Scheduled Castes Federation of Marathwada. Dr Ambedkar, chief architect of India's Constitution, addressed the gathering, urging people not to support the princely state of Hyderabad, which then controlled much of central Maharashtra.

Assistant Commissioner of Police Pravin More, Bhausaheb's son, said, "When Bhausaheb spoke, he told people every community greets with the name of its deity. Ambedkar is like God to us, so we should say 'Jai Bhim' while meeting. The people welcomed it enthusiastically, and a resolution passed accepting it as the community's slogan."

Ambedkar attended the conference despite restrictions from the Hyderabad state, which had banned him from giving speeches there. Makranpur was chosen because it lay on the British India side of the Shivna river border.

The brick stage where Ambedkar spoke still stands, and the conference continues to be organised on December 30 every year to promote his ideas. ACP More added that people from Khandesh, Vidarbha, and Marathwada attended, and his grandmother even pledged her jewellery to fund the event.

"This is the 87th year of Makranpur Parishad. We retain the venue to spread Ambedkar's thought in rural areas," he said, highlighting the lasting legacy of the slogan 'Jai Bhim.'

Hearing Adjourned in RSS Case against Rahul Gandhi

THANE

The hearing in the criminal defamation case filed against Congress leader Rahul Gandhi by an RSS worker was adjourned on Saturday in Bhiwandi court, Thane district. The next hearing is scheduled for December 20 after a key prosecution witness could not attend. Advocate Narayan Iyer, representing Rahul Gandhi, said the crucial witness, Ashok Saykar, currently Deputy Superintendent of Police in Barshi, Solapur, could not appear due to personal reasons. Saykar's testimony is now expected to be recorded on December 29. Saykar is considered a key witness as he conducted the preliminary inquiry into the private defamation case in 2014 when he was a police sub-inspector. His report under Section 202 of the Code of Criminal Procedure (CrPC) led the court to issue summons against Rahul Gandhi under Section 500 of the Indian Penal Code (IPC).

The defamation case was filed by local RSS worker Rajesh Kunte following a speech by Rahul Gandhi at an election rally near Bhiwandi on March 6, 2014. The speech allegedly included a statement that "the RSS people killed Mahatma Gandhi." The case is being heard by Bhiwandi Joint Civil Judge, Junior Division, P. M. Kolse.

Earlier, the hearing was adjourned on November 15 after the complainant's lawyer, Advocate Prabodh Jaywant, requested permission to examine Saykar. The hearing was also deferred from November 29 to December 6 due to non-availability of Rahul Gandhi's legal team.

The court proceedings will now continue on December 20, with Saykar's testimony expected to play a key role in the case. The outcome of his evidence may significantly influence the ongoing trial in this high-profile defamation matter.

Border smuggling case shocks upstate community

Washington
A New York woman has been charged for allegedly helping move people across the U.S.-Canada border in a growing smuggling network. Prosecutors say 42-year-old Stacey Taylor of Plattsburgh arranged illegal crossings mainly involving Indian nationals. She was indicted on conspiracy and smuggling-for-profit counts, some carrying mandatory prison time. Authorities report she was first stopped in January after four migrants were found in her car. Investigators later linked her phone to earlier and later trips. Rising northern border crossings have pushed officials to expand patrols as smugglers use remote, icy areas to guide migrants into the United States.

Court denies Indian man's request against ICE arrest

Washington
A federal court in Michigan has rejected an emergency request from an Indian man seeking to stop U.S. immigration authorities from arresting him during a scheduled check-in. Chintankumar Govindbhai Patel, living near Detroit and married to a U.S. citizen, is pursuing permanent residence. Judge F. Kay Behm ruled Patel did not meet the strict legal requirements for a temporary restraining order without notifying the government. The court noted Patel's claim lacked evidence of immediate harm and allowed that hearings could be held remotely. Patel may renew the motion after properly serving authorities.

Overnight drone strikes damage Russian border regions

Russia's Defence Ministry claimed its air defence systems destroyed 116 Ukrainian drones overnight, without specifying targets or hits

MOSCOW

Ukrainian drones struck Russia's Ryazan and Voronezh regions during the night, causing property damage but no reported injuries, local governors said on Saturday. Officials explained that the attacks added to a growing series of long-range drone operations that Ukraine has carried out deep inside Russian territory this year.

In Ryazan, Governor Pavel Malkov said the strike caused a fire on the roof of a multi-storey residential building. He also reported that falling drone debris landed inside the grounds of an industrial site, though he did not identify the facility. The region has a refinery that has been targeted several times in previous attacks, and officials did not say whether it was affected this time.

Ukraine has increased its drone strategy in recent months, focusing on oil refineries, fuel depots and pipeline networks in an effort to weaken Russia's military supply system. According to officials, Ukrainian drones have hit at least seventeen major refineries this year, signalling a continued shift toward deeper and more frequent strikes across the border.

In the neighbouring Voronezh region, Governor Alexander Gusev said a drone strike damaged a fuel station, a school building and several homes. Local authorities said emergency teams were deployed quickly to control fires and assess the extent of the destruction.

Russia's Defence Ministry stated that its air defence systems intercepted and destroyed 116 Ukrainian drones overnight. The ministry did not provide details about which areas were targeted or how many drones reached their intended locations.

Residents in both regions were urged to stay alert as clean-up work continued. Officials said repairs would begin soon and that further information would be shared after full damage assessments were completed.

Ten killed as car plows into Sainte-Anne celebration

SAINTE-ANNE

The tragedy recalled last year's Magdeburg incident, where a car hit a Christmas market, killing two, injuring many; the 50-year-old doctor driver was arrested

A joyful Christmas gathering in Sainte-Anne turned tragic when a car suddenly sped into a crowd preparing for holiday festivities. Officials confirmed ten people were killed and at least nine injured, including three in critical condition.

The incident occurred at Schoelcher Square, opposite the town hall and church. Witnesses told local radio the driver appeared distressed, possibly suffering a medical emergency, though investigators have not confirmed a cause. Authorities say he remained at the scene and is cooperating with police.

Emergency crews arrived within minutes, and the mayor activated a crisis team to support families and victims. Residents described panic as volunteers and first responders worked together in the chaotic aftermath. The tragedy echoes a similar incident in Magdeburg, Germany, last year, when a car ploughed through a Christmas market, killing two and injuring dozens. Officials now urge calm as Guadeloupe begins to mourn.

IAEA found February drone impact weakened the steel structure, but key parts remained intact; repairs begun, more needed

IAEA reports severe harm to Chornobyl protective shield

VIENNA

The United Nations nuclear agency has reported serious damage to the protective shield at the Chornobyl nuclear plant in Ukraine, saying the structure can no longer fully perform its main safety function. The shield, known as the New Safe Confinement, was built to cover the remains of Reactor Four, which exploded in 1986 and caused one of the world's worst nuclear disasters. The International Atomic Energy Agency (IAEA) said the harm was caused by a drone strike earlier this year, a blast Ukraine has blamed on Russia.

IAEA officials inspected the steel structure last week and found that the drone impact from February had weakened its ability to confine radioactive materials. However, the agency stressed that important load-bearing parts and monitoring systems were not permanently harmed. Director General Rafael Grossi said some repairs had already been done, but much more work was needed to fully restore long-term safety and prevent further deterioration.

The United Nations previously reported that the drone carried a high-explosive warhead that caused a fire and damaged protective cladding around the destroyed reactor. Ukraine accused Russia of carrying out the strike, while Moscow denied any involvement.

Despite the damage, radiation levels around the site remained normal and stable, and no radiation leaks were detected, the U.N. said. The Chornobyl plant, once the centre of a major global crisis, stopped producing power in 2000. During the early weeks of Russia's 2022 invasion, its forces occupied the plant and surrounding areas as they attempted to push toward Kyiv.

IAEA inspectors conducted a broader review of war-related damage to Ukraine's power grid as the conflict neared year-four.

United States reports highlight India's careful global balancing

WASHINGTON

Major US media outlets have described the recent Modi–Putin summit in New Delhi as a clear example of India's careful balancing between the United States and Russia. Their reports say India is trying to protect its energy needs, maintain old ties with Moscow, and manage growing pressure from Washington at the same time.

The Wall Street Journal noted that the meeting came at a time when the US is tightening secondary sanctions on companies linked to Russian oil giants. These sanctions have made Indian refiners more cautious, even though discounted Russian oil has been important for India since 2022. Despite the pressure, both leaders signalled continuity. President Putin promised steady fuel supplies, while Prime Minister Modi called energy security a strong pillar of India–Russia relations.

The Washington Post said the summit tested India's foreign policy approach. It highlighted Modi greeting Putin warmly and the announcement of a plan to push bilateral trade to USD 100 billion by 2030. The report added that the US has been urging India to reduce Russian oil imports and that earlier this year President Trump increased tariffs on Indian goods. Analysts told the paper that the visit shows India walking a "tightrope" as it balances Moscow ties with important trade talks with the US and the EU.

The New York Times focused on the personal bond between the two leaders. It said Modi praised his "deep and unbreakable" connection with Putin and described India–Russia relations as a guiding "North Star." The report said India is asserting "strategic autonomy" even as Western sanctions and tariffs create challenges.

Across US coverage, the message is clear: India wants to keep its Russian partnership strong while staying open to closer economic and strategic cooperation with the US.

India, US Set to Start Three-Day Talks on First Phase Trade Deal

India and the United States will hold key three-day discussions from December 10 to advance their proposed trade pact.

WASHINGTON

India and the United States are set to launch three-day negotiations on the initial phase of their proposed bilateral trade agreement beginning December 10, according to official sources familiar with the developments. The talks, which will continue until December 12, mark a significant step toward formalising the first tranche of the long-discussed pact.

Sources indicated that while the engagement is important for both sides, it does not qualify as a formal negotiation round. Instead, the discussions are expected to serve as a platform to streamline pending issues, clarify policy positions, and prepare the groundwork for structured rounds in the coming months.

The three-day talks will start on December 10. It will conclude on December 12, and it is not a formal round of talks, one of the sources said, suggesting that the focus will be on ironing out technical differences and identifying areas of convergence.

The upcoming interaction holds strategic significance, as both nations are working to expedite the first phase of the agreement amid evolving global trade dynamics. India and the US have been striving to enhance market access, resolve tariff-related concerns, and boost cooperation across sectors such as digital trade, agriculture, and intellectual property.

The initiative forms part of broader efforts to strengthen economic ties between the world's largest and fastest-growing major economies. With bilateral trade already crossing substantial milestones in recent years, the proposed agreement is seen as a mechanism to institutionalise gains and open new avenues for collaboration.

Officials on both sides are optimistic that the December meeting will help shape the contours of a mutually beneficial framework, paving the way for deeper engagement in subsequent phases of the agreement.

Sitharaman Commends Omar Abdullah for Reviving J-K Economy

JAMMU

Finance Minister Nirmala Sitharaman lauded Omar Abdullah's determined efforts to revive Jammu and Kashmir's economy amid challenges.

Union Finance Minister Nirmala Sitharaman on Saturday praised Jammu and Kashmir Chief Minister Omar Abdullah for his focused efforts in reviving the Union Territory's economy, particularly the tourism sector. She highlighted the sustained measures being undertaken to rebuild confidence and restore economic momentum.

Reflecting on India's economic journey since 2019, Sitharaman noted that despite challenges such as the pandemic, geopolitical tensions, and supply chain disruptions, several states and UTs—including Jammu and Kashmir—have continued targeted economic interventions.

Acknowledging the region's security complexities, she underscored the importance of stabilising tourism and attracting investment under Abdullah's leadership. Officials said ongoing efforts include enhancing infrastructure, connectivity, all-season tourism, and ensuring visitor safety.

Sitharaman's remarks are expected to boost administrative morale and reinforce the Centre's support for developmental initiatives, signalling recognition of J-K's resilience and commitment to economic rejuvenation.

RBI's dovish stance leaves room for more rate cuts: Report

New Delhi
The Reserve Bank of India's (RBI) 25 bps repo rate cut and its dovish stance creates scope for further easing in FY27 if growth weakens, while ongoing foreign exchange depreciation could improve export competitiveness, a report has said. The report from HSBC Global Investment Research welcomed the RBI's plans to infuse domestic liquidity in December, saying it could infuse about Rs 1.45 trillion of liquidity. The RBI unveiled plans of Rs 1 trillion of open market operations purchases and a 3-year USD/INR buy-sell swap of $5 billion.

The Multiplex Association of India raised concerns that Netflix's Warner Bros acquisition threatens India's theatrical ecosystem and film economy.

Multiplex Association Warns Netflix–Warner Bros Deal May Hurt India's Film Economy

NEW DELHI

The Multiplex Association of India (MAI) on Saturday voiced strong concerns over Netflix's proposed acquisition of Warner Bros Discovery, warning that the deal poses a significant competitive and economic threat to India's theatrical landscape as well as the wider film industry.

In an official statement, MAI said the takeover of Warner Bros—one of the world's most influential and historic film studios—by a dominant global streaming platform could have far-reaching consequences for India's cinema ecosystem. The association argued that Netflix has historically prioritised digital-first releases, a trend that could intensify if the platform gains control of a major studio's content pipeline.

The acquisition of Warner Bros, one of the world's leading studios, by a dominant streaming platform that has historically deprioritised theatrical releases, poses a direct economic threat to India's broader film economy, MAI said. It added that such consolidation raises concerns about reduced theatrical windows, diminished content availability for cinemas and the weakening of revenue streams crucial for multiplexes and film distributors.

The remarks came a day after Netflix confirmed that it had reached an agreement with Warner Bros Discovery to acquire the studio and its streaming business for USD 72 billion—a deal that marks one of the largest entertainment acquisitions in recent history.

Industry stakeholders fear that the merger could accelerate a shift in premium content away from theatres and toward exclusive digital distribution, a move that may especially impact India's vibrant but financially sensitive exhibition sector. India remains one of the world's largest markets for cinema attendance, and multiplex operators have stressed the importance of maintaining a balanced theatrical and digital ecosystem.

MAI has urged policymakers to closely examine the implications of the acquisition and consider safeguards to protect the interests of cinemas, content creators and millions dependent on the country's film value chain.

Government Approves ₹25,060-Cr Export Mission

MUMBAI

The government has approved a ₹25,060-crore Export Promotion Mission for FY 2025-26 to FY 2030-31, aimed at consolidating export support systems and enhancing India's global trade competitiveness. The initiative targets small exporters, particularly MSMEs and labour-intensive industries, by replacing fragmented schemes with a unified, outcome-driven framework.

The Directorate General of Foreign Trade (DGFT) will implement the mission via a dedicated digital platform managing the entire workflow—from application and approval to disbursal—ensuring faster processing, transparency, and efficiency.

Two sub-schemes will be launched: Niryat Protsahan, focusing on affordable trade finance through interest subvention, export-factoring, deep-tier financing, and e-commerce credit cards; and Niryat Disha, supporting market readiness via global quality compliance, branding, packaging, trade fairs, and export logistics.

The Credit Guarantee Scheme for Exporters has also been expanded by ₹20,000 crore, offering 100% government-backed guarantees to enhance credit flow. Officials said the mission simplifies the export ecosystem, enabling MSMEs to compete globally.

24 lakh households have installed rooftop solar till Dec, says govt

New Delhi
The PM Surya Ghar mission, one of the central pillars of India's push toward renewable energy and net zero emissions, has seen 24 lakh households installing rooftop solar till December, said the government on Saturday. Launched on February 13, 2024, the scheme, with a total outlay of Rs 75,021 crore, aims to provide rooftop solar systems to one crore households, providing up to 300 units of free electricity every month. The scheme encourages the adoption of renewable energy sources, supporting India's commitment to reducing its carbon footprint.

INDIA BEAT SA; Clinch ODI Series 2-1

India dominate with bat and ball to secure a commanding series-clinching victory

VISAKHAPATNAM

India clinched the three-match ODI series 2-1 with a commanding nine-wicket victory over South Africa, driven by Yashasvi Jaiswal's maiden ODI century and a fluent half-century from Virat Kohli. Chasing a modest target, India's top order turned the pursuit into a procession, showcasing composure, aggression and complete control from start to finish.

Rohit Sharma set the tone with a fiery 75, unleashing pulls and drives that kept the run rate healthy and eased early pressure. His dismissal brought Kohli to the crease, triggering thunderous "RCB! RCB!" chants around the ACA-VDCA Stadium. The former captain responded with class, racing to a 40-ball fifty, peppering the field with boundaries and a no-look six that electrified the crowd.

But the night truly belonged to Jaiswal. After a cautious start, the young opener shifted gears smartly, reaching his maiden ODI fifty and later his hundred with a triumphant air punch. With this milestone, he joined the elite group of Indian batters with centuries across all three formats. His unbeaten partnership with Kohli ensured India completed the chase with remarkable ease. Earlier, Kuldeep Yadav and Prasidh Krishna laid the foundation with clinical four-wicket hauls, restricting South Africa and setting up a comfortable chase. Despite a brief injury scare for Quinton de Kock, the visitors never recovered momentum.

As Kohli sealed the match with a crisp boundary, the Indian camp celebrated a morale-boosting series win—one that helps erase the lingering disappointment of the Test series loss and reaffirms the team's white-ball dominance.

Brief Scores

South Africa 270 in 47.5 overs (Quinton de Kock 106, Temba Bavuma 48; Prasidh Krishna 4/66, Kuldeep Yadav 4/41)

India 271/1 in 39.5 overs (Yashasvi Jaiswal, Rohit Sharma 75, Virat Kohli 65 not out.

Ancelotti wary of 'difficult' World Cup group featuring Morocco and Scotland

WASHINGTON

Brazil coach Carlo Ancelotti struck a cautious tone after the five-time champions were drawn alongside Morocco, Scotland and Haiti in Group C of the 2026 FIFA World Cup. Speaking after the draw ceremony in Washington, the Italian acknowledged that Brazil's path through the group stage would be anything but straightforward.

Brazil coach Carlo Ancelotti warns of tough tests ahead in Group C campaign

Morocco, the revelation of the 2022 World Cup, reaching the semifinals in Qatar, will be Brazil's opening opponents on June 13. Ancelotti praised the North African side's tactical organisation and competitive edge, calling them "very good during the last World Cup." He also noted Scotland's solidity, with the Europeans returning to the global stage for the first time in 28 years.

Haiti, whose last World Cup appearance came in 1974, complete the group but also carry historical resonance, given Brazil's iconic 6-0 win in Port-au-Prince in 2004.

"We have to prepare well and try to win the group," Ancelotti told Brazilian broadcaster Sportv. "Scotland are a solid team, very solid. Morocco will be pretty difficult as well. We can't underestimate anyone."

Brazil's recent form has been inconsistent, marked by coaching instability — Ancelotti is the team's fourth manager since the 2022 World Cup. A heavy 4-1 qualifying loss to Argentina in March exposed vulnerabilities that the Italian has been tasked with repairing ahead of the expanded tournament.

TOP SEEDS VELAVAN SENTHILKUMAR AND ANAHAT SINGH TRIUMPH AFTER HARD-FOUGHT FINALS IN CHENNAI

Senthilkumar, Anahat clinch titles at HCL Squash Indian Tour 4

CHENNAI

Top seeds and National champions Velavan Senthilkumar and Anahat Singh lived up to their billing as they captured the men's and women's titles at the HCL Squash Indian Tour 4, which concluded at the Indian Squash Academy. The tournament, part of the PSA Challenger Tour, featured a strong domestic field augmented by promising international talent.

World No. 46 Velavan produced a composed and commanding performance to beat Egypt's rising youngster Adam Hawal 11-7, 11-9, 9-11, 11-4 in the men's final. After taking a two-game lead with superior court coverage and tight drops, the Chennai star briefly faltered in the third as Hawal increased the tempo. However, Velavan regained control in the fourth, closing out the match with trademark precision to secure the title.

In the women's summit clash, 17-year-old Delhi prodigy Anahat Singh, ranked No. 29 in the world, edged out former World No. 10 and 19-time National champion Joshna Chinappa in a gripping five-game thriller. Anahat started strongly before Joshna's experience brought her back into the contest, but the teenager showed remarkable temperament to claim the final two games, sealing a 11-8, 11-13, 11-13, 11-6, 11-8 victory.

Both champions will now shift focus to the World Cup, which begins in Chennai next week. They will be joined by Joshna Chinappa and Abhay Singh in the Indian squad.

2026 WORLD CUP draw favours giants as Trump grabs spotlight

WASHINGTON

Holders Argentina, European champions Spain and fellow favourites England and France received largely comfortable group-stage paths as the draw for the expanded 48-team 2026 FIFA World Cup was unveiled at a glittering ceremony in Washington. The event, infused with political theatre, saw U.S. President Donald Trump receive FIFA's inaugural Peace Prize, overshadowing even the footballing headlines.

Argentina begin their title defence in Group J against Algeria, Austria and debutants Jordan, while Spain, aiming to add a second title, open Group H against first-timers Cape Verde before taking on Uruguay and Saudi Arabia.

England, guided by Thomas Tuchel, face Croatia, Ghana and Panama in Group L, a section that still presents significant tactical challenges despite the favourable seeding. Two-time champions France must navigate a tricky Group I featuring Senegal and Erling Haaland-led Norway, along with a yet-to-be-decided play-off qualifier. For the first time, FIFA ensured Spain, Argentina, England and France—the top four seeds—could only meet from the semifinals onwards, adding further intrigue to the knockout permutations.

The draw, hosted by Heidi Klum and Kevin Hart, showcased a parade of sporting greats including Tom Brady, Wayne Gretzky and Shaquille O'Neal. Trump's animated presence, including a brief dance to the Village People, drew global attention as he praised the cooperation among co-hosts the U.S., Mexico and Canada.

The 2026 edition, the biggest in World Cup history, will feature 104 matches across 16 host cities. Mexico open the tournament against South Africa in Mexico City on June 11.

Star-studded Washington draw hands contenders favourable groups while Trump dominates ceremony

Seema Punia handed 16-month suspension by Anti-Doping Agency

BENGALURU

Veteran discus thrower Seema Antil Punia has been suspended for 16 months by the Anti-Doping Disciplinary Panel (ADDP) of the National Anti-Doping Agency (NADA), according to an updated sanctions list released. The four-time Commonwealth Games medallist, one of India's most experienced throwers, tested positive for a gynaecological drug during a state-level meet in Haryana in early 2024. The substance, typically used in fertility or assisted reproduction treatments, falls under WADA's category of "specified substances" — drugs that commonly appear in normal medical use and are not usually associated with performance enhancement. Because of their widespread therapeutic application, athletes who can demonstrate reduced culpability often receive lighter sanctions. In Seema's case, the 16-month ban suggests that the panel accepted part of her explanation but not enough to absolve her entirely.

Punia, 42, declined to comment when contacted. This is her third doping-related controversy. She was stripped of her 2000 World Junior Championship medal and later withdrew from the 2006 Doha Asian Games after another doping issue.

Despite these setbacks, she remained a prominent figure in Indian athletics, representing the country at four Olympic Games. NADA also imposed several other sanctions as part of its latest disciplinary decisions.

Distance runner Pooja Yadav received a four-year ban after testing positive for a blood-boosting agent, while shot-putter Manjeet Kumar Mahto was handed a six-year suspension for a combination of anabolic agents and a stimulant. Middle-distance runner Nikesh Dhanraj Rathod was barred for four years for using an oxygen-enhancing substance.

Two marathoners — Kuldeep Singh, penalised for evading testing, and Chavi Yadav, who tested positive for an anabolic steroid — were also banned for four years each.

The series of suspensions underscores NADA's ongoing scrutiny and its continued efforts to tighten anti-doping enforcement across Indian athletics.

Jr Women's WC: India overpower Ireland 4-0 to finish Pool C campaign in style

SANTIAGO

A brace from forward Purnima Yadav and goals from Kanika Siwach and Sakshi Rana powered India to a commanding 4-0 win over Ireland in their final Pool C match at the FIH Junior Women's World Cup. The victory at the Centro Deportivo de Hockey Césped, Estadio Nacional, ensured India closed the group stage with a flourish, showcasing control, creativity and defensive discipline.

India signalled their attacking intent immediately, earning a penalty corner within the first 12 seconds. Although the early set-piece and a second penalty corner in the 10th minute went untaken, the pressure paid off soon after. In the 12th minute, Sakshi Rana slipped a precise pass to Kanika Siwach inside the circle, who sidestepped the advancing Irish goalkeeper and finished coolly to give India a deserved lead. Despite India dominating possession and creating multiple penalty-corner opportunities — five in the first half — Ireland's goalkeeper Lucy McGoldrick produced sharp saves to keep her side in the contest. Ireland's lone first-half chance arrived in the 24th minute but was dealt with confidently by the Indian defence, allowing India to hold a slender 1-0 advantage at the break. The third quarter saw India tighten their grip on proceedings, stretching the Irish backline with sustained circle entries. After Manisha narrowly missed from close range, India finally converted a penalty corner in the 42nd minute. Sakshi Shukla delivered a firm pass to Purnima, who deftly deflected the ball past the keeper to double India's lead.

Ireland threatened briefly in the final quarter, but Nandini's timely block denied Eabha Curran. India then sealed the match with two quick strikes. Sakshi Rana danced past defenders before firing into the bottom corner in the 57th minute, and Purnima completed her brace a minute later with a composed deflection over the goalkeeper.

Jr NTR set for risky stunts in NTRNeel film

Jr NTR's ambitious film with director Prashanth Neel, popularly referred to as NTRNeel, is moving into an important December schedule that will feature major action sequences. The pan-India star, known for his intense performances in films like RRR, is expected to perform several high-risk stunts without using a body double.

A Bollywood Hungama report suggests that Jr NTR, also known as Tarak, has insisted on performing the stunts himself. The action set pieces planned for this schedule are said to be some of the most dangerous sequences he has taken up in his career. A source quoted in the report said that the trend of using stunt doubles is slowly fading among top stars, with many choosing to follow the Tom Cruise style of performing their own high-risk scenes. The source noted that even Salman Khan has started following this approach in his new projects.

The December schedule, expected to begin in the first week, will reportedly run for three weeks, continuing till Christmas. Large sets have been built inside Ramoji Film City to support the action-heavy portions. Recently, Jr NTR was seen in a lean, toned look with a thick beard, believed to be part of his appearance in the film.

The movie is rumoured to be titled Dragon, though no official confirmation has been made. Actress Rukmini Vasanth, known for her performance in Kantara: Chapter 1, is said to be the female lead. The makers have announced June 25, 2026, as the release date, though some reports suggest a delay is possible.

With the combination of Prashanth Neel's action style and Jr NTR's commitment, expectations for NTRNeel continue to rise.

Divine ritual visit inspires Rishab Shetty's Kantara team

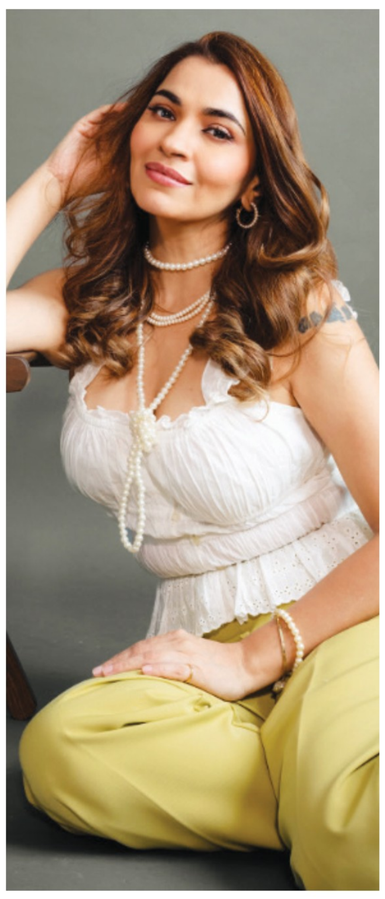
The Kantara film team recently received what they believe is a powerful blessing during a special Daiva kola ritual in Barebail, Mangaluru. Director Rishab Shetty, along with his family and key members of the film crew, took part in the ceremony to fulfil the vows they had made earlier. During the filming of Kantara Chapter–1, the team had faced many difficulties, and at that time, both Hombale Films and Rishab had made several promises to the Daiva at the temple.

To honour those vows, Hombale Films producer Vijay Kiragandur, director Santhosh Ananddram, music composer Ajaneesh Loknath, and Rishab's family returned to the shrine. Together, they performed the Harake ritual, an offering made as a mark of gratitude. The team also took part in Gaggara Seve and helped in serving food to devotees as part of the temple tradition.

During the ceremony, something special happened that deeply moved everyone present. The Daiva, pleased with the team's devotion and service, rested on Rishab Shetty's lap and offered divine reassurance. Holding the hands of Rishab and Vijay Kiragandur, the Daiva is said to have blessed the entire team and their future work.

This blessing has sparked fresh excitement within the Kantara team. It is now being widely talked about that Rishab Shetty will begin work on Kantara Part–3. Even after completing Chapter–1, Rishab had been thinking about making the next part. With the Daiva's assurance, he is now expected to move ahead with more confidence. The team believes they are ready to create another major milestone in Indian cinema. New updates from the Kantara set are likely to be announced soon.

SHRUTI PATHAK recalls warm recording moment with Kartik Aaryan



Playback singer Shruti Pathak recently shared her experience of recording "Hum Dono" for the upcoming Kartik Aaryan and Ananya Pandey film Tu Meri Main Tera Main Tera Tu Meri. She described the track as a fresh, fun, and youthful love song that she feels will instantly connect with listeners, especially with the romantic season underway. Shruti also spoke about her short but memorable interaction with Kartik Aaryan during the recording. She said Kartik and Ananya look wonderful together in the song and teaser, adding that the film might even signal a new phase for Bollywood love stories. She appreciated Kartik's interest in the music-making process and recalled how he expressed a desire to hear an acoustic version of the song.

The singer praised lyricist Anvita Dutt, calling her a brilliant writer and director whose work she has long admired. Shruti said she was thrilled to finally collaborate with her on this track.

Talking about the composition, she expressed her excitement at being chosen once again by Vishal–Shekhar, crediting the duo for consistently bringing out the best in her. Remembering hits like Tujhe Bhula Diya and Aas Paas Khuda, she said recording Hum Dono was equally enjoyable. The film releases on December 25.

'Hum Dono' song brings nostalgic charm to Kartik–Ananya romance

The romantic song Hum Dono from Tu Meri Main Tera Main Tera Tu Meri has become an instant favourite online, with many fans saying it feels like old Bollywood has returned. Released on December 5, the track brings together modern energy and classic romance, offering a warm glimpse into the love story of Ray and Rumi, played by Kartik Aaryan and Ananya Panday.

Shot along the scenic Croatian coast, the video captures bright blue waters, sunny skies, and charming European towns. Kartik and Ananya share natural, playful moments that highlight their easy chemistry, while Remo D'Souza's choreography adds softness to every frame. The visuals make the song feel like a romantic European holiday brought to life.

Composers Vishal and Sheykhar have given the track a soothing, happy tune, filled with emotional warmth. The vocals by Vishal Dadlani, Sheykhar, and Shruti Pathak enhance the melody, and lyricist Anvitaa Dutt adds a touch of simple, heartfelt romance. Altogether, the song feels like a gentle and nostalgic celebration of love.

Chiranjeevi's new song promo brings gentle Kerala romance alive

Director Anil Ravipudi has increased the excitement for his upcoming Telugu family entertainer Mana Shankara Vara Prasad Garu by releasing the promo of the romantic song Sasirekha. He shared the video on social media and said the full lyrical version would be released on December 8. The film is set for a Sankranti 2026 release, and the new promo has already created strong buzz among fans.

The short clip shows megastar Chiranjeevi in complete charm mode, wearing a crisp white dhoti as he moves gracefully along the peaceful Kerala backwaters. Beside him, actress Nayanthara appears in a beautiful saree, adding to the soft and classic romantic feel of the visuals. Their gentle smiles, calm setting, and soothing music hint at a lovely old-school melody that many viewers are already praising online. In the film, Chiranjeevi plays the lead role of Shankara Vara Prasad, a lively man in his seventies who is full of affection, humour, and energy. Earlier teasers showed the movie balancing family emotions, comedy moments, and light action, making it suitable for all age groups during the festival season.

The cast also includes Nayanthara, Catherine Tresa, and Venkatesh, bringing together several popular names for a strong festive release. With the arrival of Sasirekha, the film now has an added touch of romance, raising expectations even higher.

The full song will be released on December 8, and the film will hit theatres during Sankranti 2026.

Endgame Returns Before Doomsday In Exciting 2026 Plan

Marvel fans are in for a major treat as Avengers: Endgame is set to return to theatres on September 25, 2026. The re-release will act as a build-up to the highly awaited Avengers: Doomsday, which is scheduled to hit screens on December 16, 2026. The makers hope the re-release will recreate the excitement that Endgame generated during its original run.

According to source, the decision to bring back Endgame is meant to refresh audiences about the events that followed Thanos' powerful snap. The film's return is also expected to increase interest in Avengers: Doomsday, which will introduce a new lineup of heroes and fresh storylines.

Directors Joe and Anthony Russo, who previously delivered two blockbuster Avengers films, are returning to direct Doomsday. One of the biggest surprises in the upcoming film is the return of Robert Downey Jr. However, he will not be playing the heroic Iron Man but will instead appear as the main villain, Dr Doom. This unexpected twist has already created a buzz among fans.

The cast of Doomsday is shaping up to be impressive, with names like Florence Pugh, Vanessa Kirby, Rebecca Romijn, Pedro Pascal, Chris Hemsworth, Channing Tatum and David Harbour joining the ensemble.

Sai Pallavi Joins D55 As Mammootty Considered For Lead

Dhanush's upcoming film D55 has undergone a major shake-up, with changes in the cast, crew and production house. The film, directed by Amaran filmmaker Rajkumar Periyasamy, was launched a year ago, but recent developments have reshaped the project in a big way. The production company that initially backed the film has completely withdrawn, and all creative rights have now shifted to Dhanush's home banner. An official announcement about this change is expected soon, and it could influence the budget and technical team.

The director reportedly plans to make D55 a large-scale emotional action drama. With Dhanush willing to support a high-budget project, the team has approached Malayalam superstar Mammootty for a major role. Talks are progressing, and reports claim he is being offered a salary of around ₹15 crore. This news has generated significant excitement among fans, raising the expectations for the film.

The shift in production has also brought a major change in the female lead. Sai Pallavi has now replaced Pooja Hegde, marking a reunion with Dhanush after their hit song Rowdy Baby from Maari 2. Fans have welcomed this pairing with enthusiasm, expecting their on-screen chemistry to add strong commercial appeal.

However, the music composer remains uncertain. Earlier, Sai Abhayankar was said to be part of the project, but the latest updates suggest that a new composer might be brought in. Official confirmation on this and other changes is awaited. With shooting schedules likely to be rearranged, anticipation is building that D55 could become one of Dhanush's biggest and most ambitious ventures.
